

Glover Wharf Municipal Marina

2025 Marina Rates

The rates for the 2025 season as set by the Beverly Harbor Management Authority for Glover Wharf Municipal Marina are as follows:

Recreational Marina

Summer \$170/ft. (4/15 - 10/15)

Monthly \$60/ft. (4/15 - 10/15)

Winter \$65/ft. (for the 2025/2026 winter)

The total rate charged will be based on the greater of the length overall of the vessel or the length minus 5 of the finger pier that the vessel is assigned to (25 or 35 feet depending on availability). In addition, an administrative fee is charged of \$250 which includes access to 30 amp shore power, or \$400 for access to 50 amp shore power. Electricity costs in excess of the administrative fee will be charged at BHMA's cost as determined from meter readings.

Commercial Marina

Annual Rate \$80/ft. (7/1-6/30)

A 20-foot minimum applies. Vessels less than 20 ft LOA will be charged \$1600.
